

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 16585 of Mary Harding Stevens, David Anthony Stevens and Dr. Fran Harding, pursuant to 11 DCMR 3103.2, for a variance under Subsection 2001.3(a) from the allowable percentage of lot occupancy for the construction of an addition to an existing garage in a D/R-3 District at premises 2119 S Street, N.W. (Square 2532, Lot 8).

HEARING DATE: July 5, 2000

DECISION DATE: July 5, 2000 (Bench Decision)

SUMMARY ORDER

This application is accompanied by a memorandum from the Zoning Administrator certifying the required relief.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, by mail to Advisory Neighborhood Commission (ANC) 1D and to owners of property within 200 feet of the site.

The site of this application is located within the jurisdiction of ANC 1D. ANC 1D, which is automatically a party to this application, *submitted a written statement in support* of the application.

As directed by 11 DCMR 3119.2, the Board has required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a variance from the strict application of the requirements of 11 DCMR 3103.2. No person or entity appearing as a party to this case testified in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

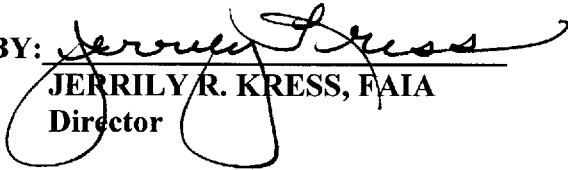

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property which creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the requested relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map. It is therefore **ORDERED** that this application be **GRANTED**.

Pursuant to 11 DCMR 3101.6, the Board has determined to waive the requirement of 11 DCMR 3125.3 that findings of fact and conclusions of law accompany the order of the Board. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: **3-0-2** (Anthony Hood, Rodney Moulden, Sheila Cross Reid to grant. Anne Renshaw and Robert Sockwell abstaining).
